Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

As part of this study, I am contacting nuclear medicine departments within the United Kingdom to enquire first on whether they carry out gastric emptying studies as part of their practice and secondly whether it would be possible to obtain a copy of their current gastric emptying protocol in order to be able to compare the different active protocols in place throughout the UK.

Response

The Trust is currently unable to forward you a copy of the protocol.

The protocol has gone through a review and this is waiting for finalisation and sign off before it can be released.

Unfortunately, we do not have a date when the protocol will be available.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
